What is the workshop about?

How do you make sense of impact assessment and begin to uncover your volunteer programmes' impact? Confidently conduct an effective impact assessment as you:

- 1 Learn impact assessment fundamentals to develop strategic volunteer partnerships.
- 2 Learn how to design outcomes and indicators of impact.
- 3 Practice how to analyze and report impact data.
- 4 Get a copy of the Volunteer Partnerships Impact Assessment Toolkit with its resources and sample outcome bank.

31 MARCH

13:00 – 17:00

Lifelong Learning Institute

Limited Seats,
register at:

Early Bird ends:

Feb 25

Speakers

JAMES, Lead Thrive-Synergist & Founder of Emmaus, has 13 years of experience building and managing volunteer partnerships in various multi-service charities. He now helps NGOs to grow their volunteer partnership programs through consultancy and training programmes.

DR. NGOH THUY ANH, holds a Ph.D. in psychology. Her research is in understanding volunteers' motivations and characteristics in supporting NGOs. Today, she is our Associate Thrive-Synergist and she helps NGOs gain confidence in working with data and gaining from it useful insights for strategic development.
